

College of Counselling Studies

New England North West Inc

Providing local quality training in counselling skills for over 30 years

Listening Skills Course

For people who want to enhance relationships both at work and at home.

Listening is the key to all effective communication!

This course teaches you the skills to be a good listener.

It includes:

- the basic skills needed to achieve active listening
- background knowledge on the barriers to effective communication

**The learning in this course complements the foundational skills of effective communication required in the counselling course –
CHC51015 Diploma of Counselling**
